

Within the context of current law, the College District shall be guided by Board-adopted written policies that are given appropriate distribution and are accessible to staff members, parents, students, and community residents.

Legally referenced policies contain provisions from federal and state statutes and regulations, case law, and other legal authority that together form the framework for local decision making and implementation. These policies are binding on the College District until the cited provisions are repealed, revised, or superseded by legislative, regulatory, or judicial action.

HARMONY WITH LAW No policy or regulation, or any portion thereof, shall be operative if it is found to be in conflict with applicable law.

SEVERABILITY If any portion of a policy or its application to any person or circumstance is found to be invalid, that invalidity shall not affect other provisions or applications of policy that can be given effect without the invalid provision or application. To this end the provisions of this policy manual are declared to be severable.

POLICY DEVELOPMENT Policies and policy amendments may be initiated by the College President, Board members, College District personnel, students, or community citizens, but generally shall be recommended for the Board's consideration by the College President.

ADOPTION AND AMENDMENT Local policies may be adopted or amended by a majority of the Board at any regular or special meeting, provided that Board members have had advance written notice of the proposed change and that it has been placed on the agenda for such meeting.

Local policies become effective upon Board adoption or at a future date designated by the Board at the time of adoption.

EMERGENCY ACTION In the event of an emergency, the College President is authorized to take action, at his or her discretion, that is required in an area not covered by policy.

The College President shall inform the Board promptly of such action, which may be subject to Board review.

OFFICIAL POLICY MANUAL The Board shall designate one copy of the local policy manual as the official policy manual of the College District. The official copy shall be kept in the College President's office, and the College President or designee shall be responsible for its accuracy and integrity and shall maintain a historical record of the College District's policy manual.
