

# Technical Programs

## GENERAL INFORMATION

Technical programs are intended to provide students with education that leads to employment after approximately one or two years. A student may earn a certificate and/or an Associate of Applied Science degree in the programs as listed on the following pages. **These programs of study are not intended for transfer; however, some programs have bachelor's degree linkages. Consult a SWTJC counselor for more information.**

### General Education Core for Technical Programs

Students who are interested in obtaining an A.A.S. degree in the technical programs will be required to complete a specific number of semester hours from each of the following groups of general education courses.

#### Social and Behavioral Sciences

Developmental courses cannot be used to satisfy elective course options in degree plans. ENGL 1301 – Composition I, Speech courses, and freshman level languages cannot be used as *Humanities and Fine Arts* electives.

### Admission Requirements

Students are admitted to the technical programs through regular college admission procedures (*see Admission Regulations section*).

Students enrolled in an A.A.S. program must adhere to SWTJC TSI requirements as noted in *TSI Information and Requirements* in *Admission Regulations* section of the Catalog. Students enrolled in one-year Certificates, which require 42 or fewer semester hours, are required to take the TSI Assessment prior to enrollment unless they are exempt under TSI requirements (See Exemptions from TSI.) Students enrolled in these one-year certificate programs are not required to meet TSI and/or developmental requirements. Refer to individual certificate program requirements. Enrolling in courses other than those required to complete the certificate program requires the student to meet all TSI and/or developmental requirements.

### Tuition and Fees per Semester

Regular tuition and fees are charged for all of the technical programs as listed in this section (*see Finance section*). Additional fees required for technical programs are listed individually under each program.

## **ADMINISTRATIVE INFORMATION TECHNOLOGY**

*Uvalde Campus*

Limited Course Offerings at Off-Campus Sites

### **Purpose**

The Administrative Information Technology (AIT) Program prepares individuals for high-demand careers needed in today's computerized workplace. The AIT Program offers a one-year Certificate, a two-year Associate of Applied Science Degree and a Local Articulation Enhanced Skills Certificate. The one-year Certificate Program is designed to prepare individuals for entry-level office information technology careers by providing cutting-edge training in the use of currently popular software packages and preparation for the Microsoft Office Specialist (MOS) Certification. The two-year Associate of Applied Science Degree is for individuals preparing for advanced office information technology careers in office and business management, executive assistant, computer project administration, and medical office administration. Students will be required to take the appropriate MOS exam(s) before the end of each semester as applicable to individual courses (*see course descriptions in back of catalog*). Students who have completed the A.A.S. degree may receive advanced training in management skills leading to an Enhanced Skills Certificate. Administrative Information Technology is a Local Articulation program.

### **Admission Requirements**

Students are admitted to the AIT program through the regular college admission procedures (*see Admission Regulations section*). Students will receive an A.A.S. degree upon satisfactory completion of the program of study and upon making formal application for graduation (*see Curricula section*).

### **Texas Success Initiative (TSI) Requirements**

The AIT program carries two award options, the Level 1 one-year Certificate and the two-year Associate of Applied Science (A.A.S.) degree. College Board policy requires all students to take the TSI Assessment examination. Students pursuing the Level 1 one-year Certificate do not have to pass the TSI Assessment; however, those not scoring at the ENGL 0302 and/or MATH 0302 level are strongly encouraged to enroll in the appropriate developmental course(s).

Students who wish to pursue the two-year certificate or A.A.S. degree must meet all Texas Success Initiative (TSI) requirements.

## ADMINISTRATIVE INFORMATION TECHNOLOGY CERTIFICATE

Students not receiving advanced-placement credit in a Local Articulation program must take the bridging courses and must do so before they are required as prerequisites.

This program is designed to prepare graduates to practice in a complex and ever-changing health care environment. Preparation for practice will be concept-based theoretical knowledge followed by structured supervised clinical practice. This educational process will develop the student as an active participant and through the use of innovative teaching approaches, foster a safe, collaborative, and interactive educational environment that serve patients across the life span.

The Texas Nurse Practice Act and Professional Standards of Care in Nursing provide the guidelines for development of clinical reasoning, clinical knowledge and skills, individualized patient care, ethical reasoning, and therapeutic communication skills. Designated curriculum, integrated with global issues and pathophysiological concepts, will ensure that graduates will be able to actively participate in society as educated, culturally astute, and socially responsible individuals. Functioning with a multi-disciplinary health care team requires diversity and compassion in traditional and/or non-traditional health care environments.

The program leads to an Associate of Applied Science in Nursing Degree and can be completed in two calendar years. Upon successful completion of the program curriculum and meeting standards identified by the Nursing Faculty, the graduate is eligible to apply to write the National Council Licensure Examination for Registered Nurses (NCLEX-RN).

### **Program Objectives/Outcomes**

Upon completion of the program, the graduate will function within the roles and responsibilities of the Associate Degree nurse and be able to:

1. Implement the standards of care as designated by the Nurse Practice Act for the State of Texas in a variety of health care settings.
2. Utilize critical reasoning, evidence-based practice and cultural diversity knowledge and skill when assessing, planning, implementing and evaluating patient care across the life-span.

3. Engage in continuous improvement of cognitive, psychomotor and psychotherapeutic abilities necessary to comprehensively assess and provide safe and effective nursing care.
4. Demonstrate caring behaviors and utilize teaching strategies that promote wellness, a healthy life style and recovery from illness.
5. Communicate and work effectively with patients, family members and the multidisciplinary health care team.
6. Demonstrate ethical and legal principles as a member of the multi-disciplinary health care team when caring for patients across the life-span.
7. Maintain competence upon becoming a Registered Nurse through self evaluation, peer review and continued education.
8. Continue to develop as an accountable and responsible member of the nursing profession.

### **Accreditation**

Southwest Texas Junior College (SWTJC) Associate Degree Nursing Program currently has full accreditation from the Texas Board of Nursing and the Texas Higher Education Coordinating Board. The program is also approved by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC). Approval from the Accreditation Commission for Education in Nursing (ACEN) will be sought when eligibility requirements utilizing the concept-based curriculum are met.

### **Admission Requirements**

Students are admitted to this program through regular college admission procedures and by satisfying the following additional requirements:

#### **Phase I: All Applicants**

If there are additional concerns identified by the faculty regarding the applicant's reading ability, applicants may be required to take the Test of English as a Foreign Language (TOEFL) as designated by the BON.
12. A Criminal Background Check performed by the Texas Board of Nursing is required for all SWTJC ADN applicants prior to final admission into the ADN program. Upon application to the AND program, required data will be submitted to the BON so a criminal background check

can be performed. A copy of all correspondence received from the BON must be submitted to the ADN office. If a Declaratory Order is required by the BON (213.30), this process must be addressed immediately upon notification. Written communication from the BON must be submitted to the Administrative Assistant prior to the first day of class. Payment must be made directly to the BON upon notification.

13. Eligibility requirements to meet BON regulations, including issues identified in the criminal background check, must be met. Guidelines related to eligibility are addressed in the following paragraphs.

The BON has identified certain circumstances that may render a potential candidate ineligible for licensure as a Registered Nurse. The BON provides individuals with the opportunity to petition for a Declaratory Order as to their eligibility in accordance with Article 301.257 of the Nursing Practice Act. The BON website, [www.bon.state.tx.us](http://www.bon.state.tx.us), contains eligibility questions and the declaratory order. In addition, each applicant must review the following documents in the BON Rules and Regulations:

- 213.27** Good Professional Conduct
- 213.28** Licensure of Persons with Criminal Offenses
- 213.29** Criteria and Procedure Regarding Intemperate Use and Lack of Fitness and Eligibility and Disciplinary Matters
- 213.30** Declaratory Order of Eligibility for Licensure

To review this information online, go to [www.bon.state.tx.us](http://www.bon.state.tx.us). From the homepage, scroll down to “Nursing Law and Rules” located on the left side of the page. Then click on “Rules and Regulations.” From that page, click “BON Rules and Regulations”. This will lead you to a page entitled “Texas Administrative Code”. Scroll down this page and click on Chapter 213. The signed Licensure Eligibility form that verifies you meet eligible requirements designated by the BON must be in your student file in the Associate Degree Nursing Office.

If you are required to answer “yes” to any of the following questions, please submit a request for a Declaratory Order Petition to the Board of Nursing for the State of Texas (**Depending on your individual circumstances, processing your petition may take 6 to 24 months, or longer, after you provide all required documentation**):

### **Progression and Dismissal Policy**

SWTJC Associate Degree Nursing Program reserves the right to request withdrawal of any student whose health, attendance, conduct, personal qualities or scholastic records indicate that it would be inadvisable for the student to continue.

Students withdrawing from the nursing program for personal reasons must comply with the withdrawal procedure as stated in the college catalog under “Changes and Withdrawals.” In addition, nursing students must participate in an exit interview by the Director of the Associate Degree Nursing Program to remain in good standing at SWTJC.

Students must achieve an average of 80% on course examinations including the mid-term and final in all nursing courses. Students that are not achieving 80% on course examinations at mid-term will be counseled by the faculty of record and placed on academic probation. If remedial work is deemed advisable by the faculty, students will be required to complete such activities. If an average of 80% on course examinations is not achieved by the end of the semester, the student will not receive credit for additional course requirements and will not progress in the nursing program. The grade for the course will be the average acquired on course examinations.

### **Graduation Requirements**

Students who have met college graduation requirements and all program objectives are eligible to attend the May commencement ceremony and the nursing pinning ceremony. All courses must be completed with a grade of “C” or better to qualify for graduation. Additional information regarding graduation is included in the Nursing Student Handbook.

All students are required to complete the Virtual – ATI NCLEX-RN review activities at the end of the nursing curriculum. Benchmark designations must be met as indicated by ATI Coaches before the affidavit to take the NCLEX-RN will be forwarded to the Texas Board of Nursing by the Director of the Nursing Program. After the student’s affidavit has been forwarded and approved by the Texas Board of Nursing, the student will receive approval to work as a Graduate Nurse and schedule the NCLEX-RN testing date through Pearson VUE.
